Write yourself a letter!

All library branches
Through February

Everyone is invited to write a letter to their future selves! Grab some stationery and when you're done, return it to any San Rafael library with your address written on the provided envelope. We'll send it in a year!

Did you participate last year? Keep an eye out for your letter in the mail! If you'd like to share how you feel about this program, we'd love to hear.

Join us for a local author talk!

Tuesday, January 17
Falkirk Cultural Center (1408 Mission Ave)
6:00-7:30pm

When Dave Iverson was a 59-year-old broadcast journalist, he decided to do something he'd never imagined: he moved in with his 95-year-old mom. [Winter Stars](#) is the story of their ten-year caregiving journey, lasting until his mom's passing at the age of 105.

Join the San Rafael Public Library for an author talk discussing [Winter Stars](#) at Falkirk Cultural Center on Tuesday, January 17. We encourage you to read [Winter Stars](#) before attending—if you need help getting a copy, feel free to call, email, or send us a chat.
